ADMIT LIQUIDS TO PARCEL POST NOW

Not Necessarily a Warning to Peace Officers in Dry Territories, However

Under the restrictions governing such shipments in the domestic parcel post, liquids, oils, pastes, salves or other articles easily liquidifiable may be sent now by international parcel post from the United States to the Bahamas, British Honduras, Costa Rica, Curacao, Danish West Indies, Jamaica, Newfoundland and Trinidad.

This represents the first results of negotiations initiated by Postmaster General Burleson to secure the admission of liquids, oils, etc., into the parcel post commerce between the United States and all the countries having parcel post conventions with this government. Heretofore liquids have been admitted to international parcel post only between the United States and Austria, Brazil, Germany, Great Britain and Norway.

Recently the Postmaster General invited large exporters in all parts of the country to make suggestions for the improvement of the international postal system, especially in the Western Hemisphere. The replies showed that the present service is an efficient aid to commerce and is used on large and constantly increasing scale. Principal of the suggestions for improvement had to do with the large demand from many parts of the world for the means of obtaining from the United States by mail at the merchandise rate shipments in small bulk of medicines, medicinal pastes, oils, toilet preparations and the like. With the exceptions above noted such traffic had to go as freight or in the very small bulk and at the high cost of first class mail.

SAGE AND SULPHUR DARKENS GRAY HAIR

Brush this through faded, lifeless locks and they become dark, glossy, youthful.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50-cent bottle of Wyeth's Sage and Sulphur Compound, which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. Advertisement.

Umbrellas

For umbrella, parasol covering and repairs. See Van Haren, 224 East Adams.

Mesa News Notes

SOUTH SIDE COWS TESTED

Result of the First Month's Activities of New Cow Testing Association Has Been Pronounced a Decided Success.

M. C. Tucker, official tester of the Cow Testing Association, south side salt river valley headquarters at Mesa, Arizona, well pleased with the report and predicts a greater and more profitable dairy industry in the valley.

There are a large number of cows which would enter a standard of producing on the average of thirty-five pounds of butter-fat and eight hundred and fifty pounds of milk in thirty days, but it costs just as much to keep them as it does the higher producing cows.

Some steps should be taken wherein a recognized condemned dairy brand should be placed upon all unprofitable or boarder cows. This should be done before they are sold at an inflated price. This will enable the owner to dispose of them for beef, and at a price that will exceed but little, if any, the amount he paid for them.

The Cow Testing Association is formed for the benefit of those who wish to determine the relative merits of each individual cow, but if a man pays a high price for a poor or cull cow which is not branded or identified in some way as a poor producer, it naturally follows that he or some one of his buyers is going to lose a lot of money. Each time the cull cow changes owners her selling price advances from one to five dollars, and very often she sells in a herd of good cows at a high price. Why not sell these cows to the butcher as beef cattle before some man loses one-half or more of the amount he paid for her.

The following table gives the names and records of the cows in the association which have produced more than 40 pounds of butterfat or 1000 pounds of milk during the period of 30 days ending August 31, 1915. These records are based upon seven day records with two days' sampling for tests.

VISITS HOME FOLKS

W. A. Gilbert of Hayden Junction is in Mesa for a few days' visit with his parents, Mr. and Mrs. W. H. Gilbert.

is fireman on one of the ore trains out of Junction. He reports the mining industry in that section as moving along in full force. New prospects are being bought by companies who will start developing them. One old prospector is reported to be getting out a carload of ore a day from his holdings which is yielding him \$1200 net of gold for each car.

WILL VISIT LOCAL EXCHANGE
Mrs. Lily White, who has supervision of the operators of the Mountain States Telephone Company for the valley will visit Mesa today to meet with the local operators.

MR. AND MRS. GAMMAGE TO SPEAK
As was announced in yesterday's column Mrs. Grady Gammage, state

Tempe News Notes

TEMPE SCHOOLS OPEN WITH BIG YEAR AHEAD

Attendance Enrollment Will Likely Reach 100—Normal Office Has Busy Day

Very close to six hundred children were registered at the grade schools in Tempe during the course of yesterday, and at the Normal where all day a constant stream of young people crowded to the president's office to register and be classified. A number over three hundred had been cared for by last evening. Even with the advance registration of local students the faculty could not near care for the crowd of young people that swarmed in on them yesterday, and all today, and much of the remainder of the week will be devoted to the classification work and lining the students up for the first semester course of study.

The high school registered eighty-seven up to last evening, which is quite an attractive gain over the first day a year ago. The students assembled with the faculty yesterday morning, but after a brief session they were dismissed and school will be resumed in earnest today.

The Tenth Street school registered 218 children and the Eighth Street school 112. The gain in attendance here gathered in the morning and preliminary work was cared for and the free text books were issued, after which the classes were dismissed until this morning.

At the Normal Training School close to 150 children were registered, this number, less the kindergarten, which does not meet until next Monday. Text books were assigned here, the other preliminary work given attention and the classes dismissed until this morning.

At the teacher's school all day long was devoted to registering and classifying and President Matthews stated last evening that about three hundred young people had been assigned to work so far. Many others are awaiting their turn today. The dormitories are well occupied and all indications point to the anticipated 400 mark.

FOR BEATING HIS WIFE

A John Doe Yaqui will be arraigned before Justice Austin this afternoon at two o'clock for examination into the charge his wife filed against him for assault. The man and his wife live at Guadalupe and according to her story to Justice Austin yesterday morning he struck her and offered abusive language. He pleads not guilty to the complaint.

LIBERTY BELL NO TCOING

In answer to an inquiry addressed some months ago to the committee in charge at Philadelphia, Town Clerk Brown yesterday received a communication to the effect that the famous Liberty Bell will not visit Tempe on its return to Philadelphia from the Pan-American exposition at Frisco. There were hopes that the bell could be routed this way on either its going or occupation of Vera Cruz. The films are to be different from anything heretofore shown on this subject.

A CORRECTION

In yesterday morning's Republican a statement was made that \$7000 would be saved by the closing of the south school building for this school year. This was a typographical error and should have read \$700 instead.

COMMERCIAL CLUB MEETS

The regular weekly meeting of the Commercial club will be held in the club rooms this evening. There is important business scheduled and Secretary Myer urges a large attendance.

"THE FOX WOMAN" AT THE MAJESTIC
"The Fox Woman," by John Luther Long, when "Moss Battersby" was famous, is the offering at the Majestic for tonight. "The Fox Woman" is a four-part Mutual Matriosque, featuring the notable Mutual players, Signe Auer, Teddy Sampson and Elmer Clifton. It is especially noteworthy because of the beauty of its Japanese settings.

or coming trip, but according to the letter just received it is not likely that people here will have the opportunity to see it at least if they wait for the bell to come to Tempe.

VISITING IN TEMPE

Mrs. Murphy, formerly Miss Grace Bailey, returned to Tempe Sunday, after several years' absence and is visiting for a few days at the C. O. Austin home. She is enroute from the northern part of the state, where she visited with her mother, to her home in El Paso.

ARNOLDS ARE HOME

J. W. Arnold, Arizona Eastern agent at the Tempe station, and Mrs. Arnold and two daughters, Misses Jewel and Leona, returned to the valley yesterday morning, after a month's tour through the east.

CURRY HOME

M. E. Curry of the Tempe Hardware is home from his vacation, spent in Los Angeles and other Southern California cities.

W. C. T. U. SESSION

The Women's Christian Temperance Union of Tempe will hold its customary meeting this afternoon at three o'clock at the Baptist church.

A WEEK OF WEATHER

The thermometer at the entomological laboratory recorded the following maximum and minimum temperature figures for each day during the week ending Sept. 12th:

Date	Max.	Min.
Sept. 6	97	65
Sept. 7	98	64
Sept. 8	97	60
Sept. 9	98	61
Sept. 10	100	61
Sept. 11	97	68
Sept. 12	97	68

PARAMOUNT FEATURE

Another of the Paramount features, this time a five reel photo-play taken from the book "The Conjuror's House" will be shown at the Goodwin Airdome this evening. "The Call of the North" is the attraction which has as its particular star, Jesse L. Lasky. Last week's introduction of the Paramount pictures, the first ever to be shown in Tempe, proved a distinct success and the airdome manager is of the opinion that these attractions will always meet with popular favor.

LONGANS RETURN

Mrs. Mary Longan and son Lawrence have returned from an overland trip to California. They made the trip in a Ford and report a most enjoyable outing from start to finish.

MACDONALD IS BACK

R. H. MacDonald, interested in ranch property both here and at Buckeye, returned to the valley yesterday morning after an extended eastern visit. He paid a visit to his old home, which he had not seen in many years, and enjoyed many other equally interesting events during his absence.

CURFEW ORDINANCE

Simultaneous with the opening of the schools and the added presence of so many children, the marshal has made announcement of the fact that the curfew law, town ordinance No. 48, will again be enforced. The law provides that the bell shall ring each night from now until October first at 8:30 o'clock and on each night thereafter during the winter months at 8 o'clock. Children under the age of 15 are governed by this ordinance and are expected to be at their homes after the bells ring, unless accompanied by their parents or guardians. The marshal's proposition is to enforce this ordinance to the letter and after a fair warning has been given he anticipates making arrests as frequently as necessary.

NOTICE

Pursuant to the provisions of Chapter III, Title XXVI, Civil Code, Revised Statutes of Arizona, 1913, entitled "Juries and Jurors",

NOTICE is hereby given that the Judge of the Superior Court of Maricopa County, State of Arizona, has made and filed in my office an order directing that a trial jury of fifty (50) be drawn to be in attendance on said Court Monday, September 20th, at 2:30 o'clock A. M., and thereafter as their presence may be required; and that I have this day notified the Sheriff of Maricopa County and the County Recorder of Maricopa County State of Arizona, to attend at the court room of the Superior Court in the Court-house of Maricopa County, or the room in which said Court is held, on Tuesday, September 14th, 1915, at the hour of 1:30 P. M. for the purpose of drawing said trial jury.

WITNESS my hand and the seal of said Court this 11th day of September, 1915.

(SEAL) JAMES MILLER, JR.,
Clerk of the Superior Court of Maricopa County, State of Arizona.

PETEY DINK---Yes, The Call Of Business Must Be Obedied
